S164614 C057766 Third Appellate District**PEOPLE v. S.C. (SPARKS)**

Request for judicial notice granted

Real party in interest's request for judicial notice and motion for provision of transcripts, filed on December 30, 2008, are granted in part and denied in part as follows. The court grants the request to judicially notice the record in *People v. Michael John Huggins*, C056765. To expedite this matter, the Attorney General, who requested the Court of Appeal to notice that same record, is directed to supply a copy of that record to counsel for real party in interest and to this court as promptly as possible, but no later than January 23, 2009. The request to have a record prepared in the case of *People v. Matthew Griffin*, Yuba County Superior Court No. CRF06-00127, is denied without prejudice to any party's citing the trial court's discussion of Griffin's trial or arguing that the Court of Appeal should have noticed that record.

Real party in interest's request for an extension of time to file the opening brief on the merits is granted. The brief is now due on February 13, 2009. No further extensions of time are contemplated.

Referee appointed

THE COURT:

Based on the record in this matter and good cause appearing:

The Honorable Robert J. Perry, Judge of the Los Angeles County Superior Court, is appointed to sit as a referee in this proceeding. He will take evidence and make findings of fact on the following questions regarding the case of *People v. Robert Lewis, Jr.* (Los Angeles County Superior Court No. A027897, Judge Elsworth M. Beam):

1. Is petitioner mentally retarded within the meaning of *Atkins v. Virginia* (2002) 536 U.S. 304 and *In re Hawthorne* (2005) 35 Cal.4th 40?
2. What actions did petitioner's trial counsel, Ron Slick, take to investigate potential evidence that could have been presented in mitigation at the penalty phase of petitioner's trial? What were the results of that investigation? Was that investigation conducted in a manner to be expected of reasonably competent attorneys acting as diligent advocates? If not, in what respects was it inadequate?
3. If trial counsel's investigation was inadequate, what additional information would an adequate investigation have disclosed? How credible was this evidence? What investigative steps would have led to this additional evidence?
4. Did trial counsel's penalty phase investigation include investigation into petitioner's mental retardation and learning disabilities, the negative effects of petitioner's institutionalization, petitioner's family history, and his good character?

5. What, if any, social history information did petitioner's trial counsel provide to defense psychiatrist Kaushal Sharma and defense psychologist Michael Maloney? When was that information provided?
6. After conducting an adequate investigation of the circumstances in mitigation of penalty, would reasonably competent attorneys acting as diligent advocates have introduced evidence in mitigation at the penalty phase of trial? What rebuttal evidence reasonably would have been available to the prosecution?

It is further ordered that the referee prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, the evidence adduced, and the findings of fact made.
